DIOCESE NEWS REGARDING MASKS

Recently Bishop Townsend removed all current diocesan COVID-19 protocols. That said, the diocese continues to highly encourage that all persons continue to wear masks indoors especially when physical distancing may not be possible or proves to be challenging. Therefore, effective June 19th, masks at St. James will no longer be mandatory but will be recommended. We ask that you be respectful and not comment on whether your fellow parishioner chooses to wear a mask or not.

Wardens, Vanni Azzano and Joan Lang

GREEN INITIATIVE

THIS MONTH'S GREEN INITIATIVE:

Putting the planet before plastic and potentially toxic chemicals

Around the home, try using cleaning products which are environmentally safe, non-toxic and perfume free.

BEST NATURAL CLEANERS

Vinegar, baking soda, Castile soap, tea tree oil, hydrogen peroxide

VINEGAR AND BAKING SODA can clean most things.

CASTILE SOAP is a good hand and body soap, and a general cleaner.

TEA TREE OIL and other essential oils are antibacterial.

HYDROGEN PEROXIDE for disinfecting if needed.

COFFEE HOUR

The removal of all current diocesan COVID-19 protocols means that we can resume having Coffee Hour following services. We require a person to coordinate the Coffee Hours. Without a coordinator, Coffee Hours will not exist!! If you are interested and can help us out, please contact your Wardens or Rev. Jenny for more details.
